THE 1993-94 ANNUAL MINUTES ARE DEDICATED TO THE LOVING MEMORIES OF

LT. COL. WOODROW W. LENNON

Woodrow Lennon was born in Columbus County in 1915. Woodrow went to his heavenly hone on July 8, 1994. Woodrow was distinguished in military service for his country and with his profession as a Meteorologist.

Woodrow also was a model husband and father. Among his many achievements, Woodrow and his lovely wife, Sally, will be remembered for their missionary service. Woodrow served the Wilmington Baptist Association as a Trustee for 33 years. He was a pioneer with the Seaman's Center Ministry, Student Center development, Language Missions promotion and teaching, building and sharing Christ with people in Wilmington, the USA and around the world. Woodrow was a remarkable steward and gave generously to benefit multiple missions causes. In this dedication our prayer is that the Lord will help many of us to serve Him with the same degree of commitment as our friend and brother Lt. Col. Woodrow Lennon.

EDITH PORTER NIX

Mrs. Edith Nix was born in West Union, S.C. on February 1, 1908. Edith went to her Heavenly Home on October 4, 1994. In a very humble and loving way Edith proved to be a role model as a faithful wife and as a dedicated missions volunteer. Brother Paul Nix has and continues to be a missions pioneer and he would be the first to tell you that his greatest supporter and faithful companion was his wife. In her own right Edith made daily contributions for Christ's service. She loved every church that she and Paul ever worked with, but in her last years she was a stalwart fixture at Sea Gate Baptist Church. At Sea Gate Edith was Church Treasurer, Sunday School Teacher, and a faithful worker. Edith served the Association as Clerk, Interim Secretary, and as a WMU Leader.

Brother Paul established a Memorial Fund with the NC Baptist Foundation which will utilize the proceeds for continuing Associational Missions Ministries, Lottie Moon, and Annie Armstrong. All of us will remember Edith Nix and her sweet spirit as she demonstrated her love for the Lord.

ASSOCIATIONAL REPORTS

CHURCH PROGRAMS

WOMAN'S MISSIONARY UNION

The WMU emphasis for 1993-94 was "Serve In Christ's Name." The watchword was "And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him" (Col. 3:17 NKJV). Our hymns were "O Lord, Who Came to Earth to Show," "Serve the Lord with Gladness," and "People to People."

All Christians are called to fulfill the Great Commission in its entirety. Realizing this, through training and various activities during the year, we have tried to encourage church members to serve in Christ's name. Following are some of the mission action projects we did:

- Furnished a list of mission action projects for the year for churches to choose from.
- Asked the churches to participate in "Help for Hurting Humanity."
- Gave lotion for inmates at the Women's Correctional Center in Raleigh.
- Furnished some hymnals and other books for Hope Mission.
- Gave money for Christmas gifts for children of inmates at the Women's Correctional Center in Wilmington.

DISCIPLESHIP TRAINING COUNCIL

Someone once said, *"if you stop growing today, you stop teaching tomorrow."* There is a said reality to this statement that should wake us up to what we are doing now.

The Wilmington Baptist Association Discipleship Training Team exists for the purpose of assisting local churches in the development of effective discipling programs. Our desire is to inform and educate pastors and church leaders in the area of discipleship so they can lead their church to develop workers who will insure effective Christian service tomorrow.

This year the ADTT has been reorganized in order to better accomplish its purpose. We have worked hard to identify churches who need help in discipleship and have attempted to discover specific approaches for each interested church. We have also sough to equip leaders and assist them as they implement new ideas into their program. Our prayer is that this approach will become more effective in time for the glory of our Father.

Respectfully submitted,
Eddie Davis, Director

SUNDAY SCHOOL ASSIST TEAM

The Sunday School Assist Team exists to help Sunday School workers in churches to accomplish the task of Sunday School in their churches. We stand ready to assist you in your church at your request.

This past year the Sunday School Assist Team held two conferences to train Sunday School workers in the churches:

(1) Literature Awareness Conference to acquaint workers with the literature that is available
(2) Growth Conference to teach the principles of Sunday School Growth

Mike Moore, Director

EVANGELISM COUNCIL

We have enjoyed a good year in evangelistic outreach. The momentum of the Here's Hope Crusade in Burgaw brought us to spiritual highs and to a new sense of cooperation for witness training and simultaneous evangelism events.

Our WBA Evangelism Council met several times during the year. We are seeking to help our churches prepare for Here's Hope '95. Evangelize, the last launch day was October 2, 1994. That day began "commitment to participate in the 60 days of soul-winning from January 9, 1995 to March 9, 1995.

Our WBA churches have ordered and received "Here's Hope, Share Jesus Now" commitment cards (212-95CFP). Have you signed your card yet? Our goal is to get at least one half of our church people committed to the sixty days of daily personal witness.

The following is what you are committing to do: I understand that when the Lord Jesus said, "ye shall be witnesses unto me" (Acts 1:8), He made it clear that every Christian has the responsibility to continually share the good news about Him with lost people everywhere. Because I love Him and desire to be an obedient Christian, I make the following commitment: With His help, I will attempt to share the gospel each day for 60 days, January 9, 1995 to March 9, 1995.

Bathe one another in prayer as you sign these commitment cards.

Pray for the Franklin Graham Crusade, May 14. This crusade is to be held at Trask Coliseum should be a perfect mountain top following the sixty days of witnessing and the harvest revivals.

Pray for our Council as we seek to bring you promotions and coordinated plans for Here's Hope '95. Pray for us also as we seek to lead you to evangelize at an increased level as we head toward the turn of the century and the second coming of the Lord Jesus.

Respectfully submitted,
Onree Fisher, Chairman

MUSIC COUNCIL

The Music Council of the Wilmington Baptist Association sponsored two exciting events in 1993-94. On July 3, 1994, we presented for the second year, the patriotic musical "To Be An American." This year the program was held at Calvary Baptist Church under the direction of C. L. King. Approximately 80 singers from 13 of our churches participated along with an orchestra from the Wilmington Community.

On Saturday, October 1, 1994, Lyndel and Janet Vaught from Southwestern Baptist Theological Seminary, led us in a workshop. From 8:30-10:00 AM, Mr. Vaught shared rehearsal techniques, attendance boosters, and communication methods with directors. From 10:30 AM - 12:30 PM, Mr. Vaught demonstrated these techniques with choir members from 5 churches.

The Music Council is looking forward to sponsoring more helpful and exciting events in 1994-95 for our choir members and music ministers.

Respectfully submitted,
Peggy Croom, Director

RECREATION COUNCIL

This was another good year for the WBA Recreation Ministry. Basketball was the major sport and we had more than sixty teams in our leagues. In addition to the Royal Ambassadors sponsored teams for boys. We also had a men's league and a women's league. Following basketball we also had a men's softball league and a ladies league. We are making plans for enlarged leagues and additional approaches for using sports as a missions outreach in 1994-95.

Kevin Lee, Director

BROTHERHOOD COUNCIL

There is no greater service for doing missions than Baptist Men. Wilmington Baptist Men are among the most active in the Southern Baptist Convention. We have a super council and our members meet monthly for prayer and planning. During 1993-94 , we had our regular Prayer Breakfast in January and enjoyed Mr. Joe Lennon as our guest speaker. Mr. Lennon is the President of the N.C. Christian Action League, a member of the SBC Brotherhood Commission and a past President of North Carolina Baptist Men. During our Spring Rally we had Dr. James Williams, President of the SBC Brotherhood Commission as our guest speaker. Mr. John Truitt was named 1994 Layman of the Year.

Our Baptist Men conducted a mock Disaster Training Event at Carolina Beach in May. We walked in the Azalea Parade with our new N.C. Baptist Men's Disaster Unit. Additional training was provided for Disaster Response at the WBA Office Center in August.

Our Baptist Men worked during 1993 with missions projects in Brazil, Ukraine, Poland, and New York. We were also active with construction in our own area and primarily at the Hispanic Church, the Matthew 25 Center, the Student Center, and through Lay Renewal teams to several churches across the state.

Our Royal Ambassador Leadership conducted several events for the boys. Some of these included a Father/Son Banquet, Campcraft Training, a overnight Camporee Trip, a Pine Box Derby Race, and Royal Ambassador basketball.

Opportunities for missions and numerous. We have a strong WBA Brotherhood program. We will by the Grace of our Father respond to the missions challenges in 1994-95.

Tommy Todd, Director

Wendy Harris, a member of Calvary, came in the Spring of 1992, and Linda Longley, a member of Riley's Creek, joined us in the Fall of 1992. Additionally, Emma Wallace is doing a year of internship as a Marriage and Family therapist with the center. Dorothy West, a member of Southside, joined us in May of 1993

to help with the bookkeeping needs. Additionally, Dr. George Franks, a psychologist who works in Fayetteville Counseling Center, comes two times each month to help us with evaluation and supervision.

The Board of Directors was appointed by the Wilmington Baptist Association to provide direction a funding for the center. The Board is asking each church to include the Counseling Center in its budget for n year. The total budget needs for the center during the 1994-95 year is $48,183.00. Of this amou $36,552.00 will need to be raised to cover the expenses not furnished by the Wilmington Baptist Associati

Since the center opened, more than 650 different individuals, couples, or families have been seen in Counseling Center. Approximately 75% of these referrals came from churches in this Association. Current we average three to four new referrals each week, and this seems to be a constant trend that continues affirm our need to provide this ministry.

MATTHEW 25 COUNCIL

The Matthew 25 Mission is a hospitality type facility for inmate families sponsored by the Wilmingt Baptist Association. This mission is the only one of its kind in North Carolina. Through this mission originally planned to have a six (6) bedroom facility for families of inmates to stay while visiting inmates Pender County. This is the second largest Correctional Unit in North Carolina. While families are at our missi we will have available material needs, vesper services, Sunday School, and Counseling. The New Hanover Cour Correctional Unit could also benefit from the Matthew 25 Mission.

The Wilmington Baptist Association has made this mission to be in the process of materializing sponsoring the mission at no cost to the Association. The 2-3/4 acres of land on the Penderlea Road in Burg for this mission has been donated free of charge. The surveying has been donated free of charge, along wi clearing the site and future grading of the property. Also, the attorney fee is free of charge. A building perm has been acquired and Health Department requirements are being met. This mission is well ahead of plans, a as it has progressed, other denominations are participating and it is now a mission of local inter-denomination churches in Pender County. We are gaining support monthly from other denominations, which was the plan wh the Wilmington Baptist Association agreed to sponsor this mission.

Our goals are: (1) By December 31, 1994, have property cleared of all buildings and ready to constru the foundation of our planned 7,000 square foot building; (2) The Spring of 1995 to begin constructing t foundation; (3) Easter of 1996 to have a dedication service; (4) By Spring of 1995 t have $75,000.00 in accou for materials to dry the building in. The labor for this project is to be volunteers. We plan to have perioc projects mainly to keep this Mission before the public. Our fund raising committee has plans for contacti churches, individuals, businesses, grants for donations.

In conclusion, this is not just another humanitarian project, but this is a project in which the Lord h been and is continuing to work.

ACTS NETWORK

The Wilmington area Baptist Television Ministry, (ACTS of New Hanover County), operated and maintained by the Winter Park Baptist Church, has completed its seventh year of operation, providing Christian Television programming from the Southern Baptist ACTS Network, and the VISN Network to the community, and Television ministry opportunities to local churches on Wilmington Vision Cable Channels 32, and now, Channel 19.

Among the many accomplishments in local programming, Winter Park has produced and aired 113 programs this year, and has aired 1174 worship services. Music specials, Easter and Christmas specials over the 7-1/2 year history of Wilmington ACTS.

In November 1993, the Winter Park Television Team shot footage of the Habitat For Humanity project, in which volunteers from Winter Park and several area churches participated in. The material will be used to produce a local Television "Special" which will tell about the Habitat program, and what Wilmington Christians are doing for those in need in our community. The air date has not been decided upon yet.

On January 10th, Wilmington Vision Cable changed its channel lineup, placing VISN/ACTS Channel 32 programming on Channel 19. ACTS had been a fixture on Wilmington Vision Cable Channel 32 for almost 10 years, beginning June 1984. The new channel offers better position and viewer access in the channel lineup to the almost 35,000 subscribers in the Wilmington area.

On March 19th, the Wilmington ACTS program insertion operation moved out of the small 7' x 14' utility building on Vision Cable's backlot, and into Vision Cables new "headin" facility. The annex to the main operations building was designed to accommodate local programmers including ACTS, JB Cable Advertising and FOX. The move represented a significant upgrade to the operational quality and security of ACTS local programming, and a vote of confidence from Vision Cable.

On June 10th, the Winter Park Television Team acquired a 'TOASTER 4000" Special Effects and Character Generator, for use in the worship services, and other projects. This state-of-the-art equipment greatly enhances the professional "look" of our ACTS Channel local productions, and makes possible, more advanced editing capability which could be offered to local churches and programmers seeking airtime on the Wilmington ACTS Channel.

Winter Park sent two representatives to the ACTS National Affiliate Conference in Ft. Worth, August 4-6. During the conference, important information regarding realignment of ACTS Network programming and Affiliate operations according to the terms of the new channel share agreement with VISN were discussed. Also,

the ACTS 10th Anniversary Celebration was held featuring a look back at the history of ACTS since its inception, and greetings from ACTS Affiliates all over the country. A clip from Wilmington ACTS was fea in the program along with other affiliates, which was seen by 500 Baptist Television dignitaries and Network employees, including Dr. Jimmy Allen, founder of ACTS.

INTERNATIONAL SEAMAN'S SERVICE CENTER

A Foreign Mission of Ministry at Home

The International Seaman's Service Center of Wilmington, N.C. is composed of a very active gro caring volunteers. Many of these are members of local Baptist churches. The organization is physically financially supported by the six major denominations in the Wilmington area. A full-time chaplain is the only employee. The Center is staffed 12 hours a day by volunteers who reach out their hands in Christian frien to seafarers from around the world. These men, and sometimes women, away from home an average months at a time, are in port for only a few hours and are very grateful for the services provided.

The Seaman's Center is located in a former Navy Barracks building at the State Port. Due to dona from churches and residents of the community, the seafarers can spend some pleasant time making telep calls to their families and enjoying the Christian friendship and services provided. The Center contains a lit TV room, recreation room, clothing closet and equipment for telephoning. Since most ships are in port onl 12 hours, the welcoming smiles and voices of volunteers on duty are their only touch with people other aboard ship. This is our opportunity to show our Christian love and caring to a multi-cultured society. Alth many of these men speak little English, we find we can communicate. Only through the continued suppo the churches can this ministry exist.

- Over 500 ships call at the port each year
- 5500 seamen visited the Center this year from over 61 nations
- We provided 510 Bibles in 40 languages, free - also books and magazines
- A full-time chaplain visits the ships to meet the needs of the seamen
- Maintain a clothing closet - men from 3rd world countries receive very low pay and purchase for f and self
- A chapel area for service or quiet meditation
- Cookies, coffee, tea provided
- Bicycles on hand for trips to the store - also a station wagon when needed

Also, we are serving our own military men who have been in port so much this year.

Our dreams for the coming year is to better serve the seamen and to reach more seamen in the of Christ. Also, we would like to have more Baptist volunteers. A network from port to port would be a help in serving the men a lot better. There is also a great need for a bigger and better vehicle.

RESCUE MISSION OF CAPE FEAR

This has been a good year for the work and ministry of the Rescue Mission of Cape Fear. We went into the year with a great deal of concern about the condition of the facilities and the fact that there were some severe financial shortfalls. The Board members have given excellent guidance and new directions have taken shape as a result of re-organization. Better management and new approaches have brought solvency to the store operations. The success with the store and increased community support has enabled the Board to oversee some extensive remodeling of the facilities. The mission is continuing to provide short term housing for men who have no where else to go. There is still a strong influence of Christian love and offering those who stay a new hope in the Lord. Thank you for your support. There is a great need for this ministry and frankly your prayers and your volunteer assistance will continue to mean as much to the Rescue Mission as your financial assistance.

BAPTIST STUDENT UNION COUNCIL

It is a pleasure to serve with a very able council who's members are experienced and who are in some way involved in student ministries. Our Baptist churches in the Wilmington area have a tremendous challenge in that we live in an area with a high concentration of college students. At UNC-W, Cape Fear, Miller-Motte, along with these are still others who are a part of satellite campuses. Our council has the major challenge of serving as the link between our churches the Associational Baptist Student Staff, and the students themselves. We are called upon to meet with the staff, evaluate programs, ideas and to help support the staff and students as they seek to reach out to the students. The most encouraging matter for 1993-94 has been the coming together of the plans for our new student center. As this is being written, final plans are being approved and the volunteers are beginning with construction. Our council has given direction to the negotiations with the BSC Student Union and will continue to work with that staff in determining cooperative approaches for our growing BSU Ministries.

Far more important than the building during this past year has been the success of the programs. Our numbers have continued to grow. The students have done a great job collectively and individually in doing missions. The recent trip to the State BSU Convention at Ridgecrest, where our students were number three in total attendance (behind Appalachian and Campbell) speaks volumes for just how well our student ministry program is growing.

Your council is very pleased with the leadership of our Director, Miss Carlene Evans. We are also pleased with the leadership of Rocky Myrick as the Assistant Director. It's obvious that some of the finest young people to be found are those who are reaching out with our BSU.

1994-95 looks like "the year for Baptist Student Union" in the Wilmington area. Your council pledges to stay on the job and to give the kind of support that will enable us to move forward with student ministries.

Pray for us.

PASTORAL MINISTRIES COUNCIL

The Association has once again provided channels for us to cooperatively help multitudes of God's p through the media of Pastoral Ministries. The first way we do that is by always being available and frequently taking the initiative in offering a helping hand to our pastors. The WBA churches have an awe responsibility in that we have by far more churches and more pastors than any other denomination in the Baptist pastors are frequently called upon to help people from the community and the area as well as w their own church families. Your pastor's ministries council has sought to assist with chaplaincy at the hospi encourage spiritual ministries in our nursing homes, provide workshops and seminary extension training fo ministers, and we have assisted discipleship training with deacon training. WE view the deacons as a pri source for improved pastoral ministries.

One of our greatest joys continue to be our Baptist Hospital Counseling Center. The hand that Pastoral Ministries Council took in the formation of the Counseling Center will always be a real service of Praise the Lord for the on-going ministry of our Counseling Center. Please continue your support bot churches and individuals.

ASSOCIATIONAL STRATEGY COMMITTEE

Your WBA Strategy Committee has held very few meetings in 1993-94. In many respects our view been, "If it isn't broke, don't try to fix it." Most of us feel that the Associational Missions Program is g quite well. We did, however, involve around thirty of our leadership people in a Metro-Thrust Associat Missions Study during the past two months. Five committees studied our WBA Missions area and prog using the categories of: (1) Population Growth; (2) Social Trends; (3) Other Denominations Patterns; (4) Re Of Our Churches; and (5) Review Of Our Association Organization and Programs. In a special Summ Workshop on Saturday, October 1, we concluded that the Association should intensify its ministries in particular areas. Those areas are: (1) Strengthening Fellowship and Worship; (2) Doing Missions; (3) Evange (4) Provision of Leadership Training; and (5) Improving Communications. We are asking special leadership gr to stratify and challenge us with goals and action plans for ministries within these areas. Our strategy g will take on the long range challenge for working with the staff growing our programs and emphasis implementations on these respected areas. Pray with us, plan with us, and join us in Christ's service thr our churches and our Association.

COMMUNICATIONS COUNCIL

Our new video of the Wilmington Baptist Association Missions became a reality this year. Due to the dedication and loyalty of a lot of our leaders, we were able to get filmed most of the mission work which our staff and leaders are committed to doing. A number of copies of this video are available for check-out by our churches. We encourage each church to show it to their membership to enlighten them of the great works being done through their giving to the Wilmington Baptist Association.

And of course, we have our "Developer" so expertly assembled by our WBA staff and very informative of Associational news.

The Communications Council still has a lot of long range plans for News Reports making use of the news media. We just need funds for the equipment to get started. Pray with us about this.

A group of Minister's wives met September 15, 1994, to organize. Our purpose as I see it is to lend support, encouragement, and information to each other as we share in ministry. A questionnaire was mailed to each Minister's wife to get their input. We can gain from our fellowship together strength for better ministry. Information about future plans will be forth coming as the questionnaires are returned. Plan to be a part of this fellowship. We need your input!

PROPERTIES COUNCIL

Wilmington Baptist Association is very fortunate to have some very nice property. It has been given and purchased for the Glory of the Lord and it is used for His Glory. The office center site on College Road is a very expensive property and we owe a great deal to those who had the foresight to purchase that property. With the addition of the Counseling Center and the need for working space for volunteer staff almost every foot of the property is being used. Often times, it seems that the building is pushed beyond its capacity. The new BSU Center will bring tremendous relief and a great deal of joy. We will, however, be full even after building that space which will, I am glad to say, more that double our floor space.

Many people are not aware that we have other properties. We have a beautiful Missionary Home on Northbrook Drive in Brookfield. We have some very strategic buildings and property in the Inner City located at the corner of Greenfield and 13th Streets. In addition to that, we have a three acre tract in Burgaw where we will soon be building the Matthew 25 Hospitality House. We have other properties such as a camper at Rogers Bay Campground, our little Red Caboose, missionary cars, BSU van, and a Inner City missions bus. Your properties committee works at keeping these facilities in working shape. Pray for us as we seek to maintain and build, and in so doing to keep our WBA Ministries moving positively forward.

JAPANESE MINISTRY

Winter Park Baptist Church, the N.C. Baptist State Convention, and the Wilmington Baptist Association are reaching out to eleven Japanese families, four Japanese wives married to Americans, five full-term UNC-W Japanese exchange students, one High School student and three professional Japanese women.

Twenty-five Japanese attended the Annual International Night of Friendship on September 24, 1994.

Enrolled in English classes at Winter Park Baptist Church (using the Bible to teach English is included in English classes), are seventeen Japanese, three of these are UNC-W students, one High School student, and three professionals.

Rev. Yasushi Tomono led six Monday morning Bible studies for Japanese wives in their homes with an average of 8 in attendance. He also led special Bible studies six Sunday evenings for college students and professionals with an average attendance of five. Seven Bible studies were led by Sally Lennon at Winter Park Baptist Church with an average of one Japanese wife attending.

One Japanese wife continues to attend Bible study weekly with Mary Ellen Benton. The monthly cooking class for Japanese wives led by Sally MacCallum continues to be well attended.

Winter Park Baptist Church hosted seventeen Japanese UNC-W Exchange Students from Nagoya Gakuin University who attended UNC-W for eight weeks. Two host family visitations were scheduled for these students, 12 students and 8 host families participated. Twelve students visited in the homes of six host families. Good experiences were reported by both students and host families.

The N.C. Baptist State Convention Japanese Pastor, Rev. Yasushi Tomono, with his wife and daughter, were with us for six visits this year. They are always a blessing to the Japanese Ministry in our Association.

CHINESE MINISTRY

For the ninth year, Calvary continues to sponsor a Chinese Fellowship on the second and fourth Saturday of each month. This offers a time for the Chinese of our community to get together with others from their country, and a time to meet Christians and learn abou the Christian faith.

We have just recently had another Chinese friend to accept Christ--she will be baptized in the near future. We are praying for a Chinese pastor or layperson to come and help in this very special ministry. Please join us in this prayer concern.

ESL (ENGLISH AS A SECOND LANGUAGE)

The lives of Internationals around Wilmington continued to be touched in Jesus name as the ESL (English as a Second Language) program ended its 18th year last May. During the school year 64 students enrolled from 24 countries. Twenty-two tutors had worked with the students, some for only a few months due to family transfers, etc. About sixteen are needed at any given time. Three Tutor Trainer Workshops, training 20 new tutors were held. Twelve of those began teaching right away. Because we are expected to report what we do, tutors, reluctantly, keep records of time and miles spent in this ministry. It was interesting to note that 1041 hours were spent in tutoring, 1896 hours were spent in preparation for tutoring and ministry other than teaching.

Those of us involved in this part of Literacy Missions appreciate the support we get from the WBA and from Winter Park Baptist Church where we meet on Wednesdays and Sundays and from the Baptist Women's Group there who willingly and faithfully serve refreshments during the very important "break" time when students and teachers have opportunity to socialize and practice their English-speaking skills.

One of the accomplishments during the Spring and Summer, in addition to teaching, was getting the books and materials used by tutors and students properly catalogues and shelved. Thanks to Mrs. Sally Lennon and Shirley Horn for their many hours of work there. Shirley has been a great help in helping with the details "behind the scenes" of teaching. Thanks also are due Mrs. Bernice Shinn from Winter Park Baptist Church who serves as a nursery volunteer.

Resort/Leisure Missions Council

In 1985, the Resort Ministry of our Association gave itself a name, called W.A.R.M., which stands for Wilmington Association Resort Ministry. When one thinks about resort ministry, one thinks of beach and campground fun during June, July, and August. Rightly so, because Resort Missions is fun, however, it is also hard work. The blessings are too numerous to count. Over the years a number of accomplishments have been made through your Associational resort ministry.

Over the past year, several exciting programs have occurred in our resort ministry. More youth groups and local churches have seen and experienced the need and potential for resort ministry. It is evident many vacationers, tourists, and locals were touched by our Lord this year through the different ministries. Their lives

and hearts will never be the same. It is also true that those of us who do the ministry in the various resort areas were also touched by the Lord.

Since tourism is a very large industry in North Carolina and since people are coming by the thousands to our area beaches, it becomes even more important that we have a Christian witness here! The potentials of this ministry has always been here, it will always be here!

Resort Missions is another tool in which we can proclaim the Good News of Jesus Christ. The ministry reaches out to people on our beaches and "market places" of our resort area.

I wish to thank all the people who were involved in the ministry this summer. May our Association aim high in our support of Resort Missions and make it a top priority of ministry.

PHYSICALLY HANDICAPPED

What a wonderful year we have been having by helping the handicapped! We finished Larry's room and he is able to get in his hospital bed by turning his wheelchair around, which he couldn't before. We have been really blessed with handicap equipment, enough to give to the ones that have asked for it, only because of wonderful people who care to give it to us. My heart is over-joyed, and many, many thanks to everyone.

We have been able to take many food boxes to our handicapped, many volunteers to take our people to the doctors and etc. We have some handicaps going to church, just by "us" taking care of their needs. So keep up the good work, by giving to the handicapped.

BLOODMOBILE

The Red Cross always expresses great appreciation for this January Blood Drive. They depend upon this drive to help replenish supplies that were depleted during Christmas. I, Laura Spivey, coordinated the Blood Drive at Winter Park and Shirley Horn was in charge of the one at Surf City. The County Extension Service coordinated the one at Burgaw. All of the volunteers worked many hours to make this ministry a success.

This year Calvary Baptist Church had the largest number of donors. Northside Baptist Church was in second place and Southside Baptist Church was third.

We are so grateful to everyone that participated in this project. Many of our churches donated cookies, crackers, juice and soft drinks. We especially appreciate all those who were able to donate blood so that the gift of life might be shared. Many people also donated many hours of volunteer time. It takes many people working together to make this project a success.

The hospital has employed Rev. Mary Ann Poythress, a CPE supervisor from Wake Medical Center. Currently, plans are being made for a Spring and Summer Program this year. Additionally, a CPE residency

program is scheduled to begin in September, 1995.

Our greatest sense of joy in 1993-94 has been the growth of our Hispanic Church and our Korean Church. Both of these churches have new facilities at ideal locations. The congregations are growing and they are now full fledged churches in our Association. We will soon need to take that same step with additional language missions churches. We are also pleased that the Hope Mission Church is growing and look forward to helping that fellowship with continued growth. It is our opinion that we must start new churches. Our area has never closed to growth and even though many of our churches have demonstrated remarkable growth, we are not coming close to reaching new people as we should. All statistics and experience point to the fact that this is best done by starting new churches. Pray with us as we identify properties and seek to gather resources. We must start new churches.

Black Church Relations Council

There has been a continuing sense of pride for the growth of the St. Paul Baptist Church during 1993-94. We are praying that our council can work with the leadership of St. Paul during the coming year in an effort to help them enlarge their facilities for youth ministries, fellowship and religious education. Some of our greatest joys has also been experienced this year with the growth of the Hope Missions Church. Numbers have increased and the church seems to be coming together. The neighborhood is being impacted by the continuing outreach of our Inner City Missions Ministries, sports, tutoring, VBS, and numerous other approaches are being utilized to reach especially to boys and girls and frequently to their parents. Our Associational Recreation Program is also including several other black churches. In addition to that, we are working cooperatively with churches of all races in providing counseling ministries, development of the Matthew 25 Prison Ministries and the implementation of Here's Hope '95 Evangelism Outreach Ministries. Pray for us as the Lord shows us how to walk together, grow together, and work for the Lord together in 1994-95.

VOLUNTEERISM COUNCIL

It could be said that the greatest asset to the growing work and ministries for the Wilmington Baptist Association is the commitment of its volunteer. Because of volunteers in every area of our Associational Missions work, we are able to multiply our efforts and our results. Because of volunteers, we can take one dollar given for missions and get four dollars or more in missions service. Volunteers work on our staff both as regular day to day staff people and as secretaries working one day per week. Volunteers direct major missions programs and some give several hours every week with that leadership. Volunteers put missions teams together and have carried such teams to Brazil, Ukraine, Poland, Kenya, Chezh Republic, West Virginia, New York, and to multiple areas of our own state and Association. Volunteers participate in Disaster Response, missions

construction, providing medical care, directing and coordinating sports programs, providing resort ministries, etc. More than the one thousand people did missions volunteer work with the WBA during 1993-94. Pray for all of us who have assignments for encourage volunteerism.

If we are to accomplish the missions given to us by our Lord the ranks of WBA volunteers will need to increase. I believe that this is happening in our churches and in our Association.

STAFF REPORTS

CHURCH RENEWAL/DEVELOPMENT

The mission of Church Renewal and Development is to encourage the strengthening of Associational churches. Some churches are finding strength as they reach out to serve others in the name of Jesus. Nine groups from the Wilmington Baptist Association have been across New York State, from New York City to places near Niagara Falls, Adirondack Mountains, Utica, and Cooperstown. These teams ministered through VBS, Lay Renewals, surveys, youth retreats, witnessing, and construction projects. An enthusiastic church member returning from New York, overseas or across town strengthens the church.

Some churches are finding strength by looking inward at their relationship with Christ. Six of our churches have been involved this past year by sending team members or experiencing the renewal journey in their own church. Lay Renewal is an effective approach to spiritual awakening and strengthening the church.

Some churches are finding strength through the encouragement of other churches. Two of our churches have requested assistance in leading discipleship courses from other churches. It's amazing what God will do when He see's His church working together.

CHURCH AND COMMUNITY MINISTRIES

This has been an exciting year in Church and Community Ministries. The praise and glory go to God. He has blessed us in miraculous ways. Many of our prayers have been answered as we have sought to follow His leadership and His guidance. God has provided us with the resources and volunteers we have needed.

I am so grateful to all the people who have given of your time and talents. You have inspired me by your dedication, enthusiasm, loyalty and faithfulness. Your love for the Lord and dedication to serving Him has enabled us to share the love of God with many different people in many different ways.

In Church and Community Ministries, the projects we initiated or with which we have assisted included: Senior Adult Rallies, Blood Drive, Children's Clothing Closet, sponsorship of "The Game," participation in Books for Babies Program, developing mission action opportunities for WMU groups, working on grant letters for the Matthew 25 House, helping with the Matthew 25 fund raising project, delivering pounds of goods to local helping agencies, serving on the God Shepherd Board, developing a clearing house so that better information can be gained about emergency situations, and helping 148 family units consisting of 270 individuals who were in financial crisis.

Inner City Ministries has had an exciting year. David Brisson, as our Inner City Missionary, has touched the lives of hundreds of people. I have been privileged to work with him in such programs as: Backyard Bible Clubs, supervision of two summer missionaries, an evangelistic crusade, the Dolphin Tutoring Program, distribution of food and clothing, construction at Greenfield, visitation in the housing projects, and support of ball teams and sports camps.

Inner City Pastor, Larry Newkirk, is helping with the development of Hope Baptist Mission into a church. We are very excited about the possibilities and challenges that face this Inner City church. The Reverend Newkirk says we are in the seed planting stage. We know the harvest will come in God's time.

Language Missions has also had an especially wonderful year. We have found that "It's A Small World" as we have tried to share the Gospel with people from many different backgrounds. In this part of my job I have been able to share in many ministries; this has included helping to locate the property and arrange for the purchase of new buildings for the Hispanic and Korean churches, neither of which had ever had buildings of their own in the past. It also included helping with the constitution of these two missions into churches, coordinating the International Night of Friendship, substituting in ESL classes, helping Gus and Peggy Lara secure and supervise a summer missionary to work with Hispanics, helping supervise Backyard Bible Clubs and summer missions groups working with Hispanics an in the Inner City Ministry, helping coordinate the Medical/Dental Ministry which we had 148 visits and served 125 individuals and brought two professions of faith, helping plan a social for the Korean children, early planning for new Hispanic ministries near Wallace and Burgaw, and serving on the North Carolina Baptist Japanese Board.

As people from all over the world come to Wilmington, we want to share the Good News of Jesus Christ with them. Many of these varied ministries made solid contributions in this direction.

This year my life and work have been enriched by attending these conferences and conventions: the WIN school, two state-wide conferences for Directors of Church and Community Ministries, the Baptist State Convention, the Southern Baptist Convention, and the Woman's Missionary Union Convention.

It has also been a joy to teach the Home Missions Study in several churches, to speak to WMU groups, to speak in the worship services in several churches, and to show slides and make Associational Missions presentations to churches and church groups.

I am so grateful to God and to the Wilmington Baptist Association for this opportunity to serve. There are still so many people who need to know the Lord. Please pray with us that we will have the prayer support, financial means, volunteer help, and missionary vision to minister to human need and to win lost to Christ.

Mary Margaret Brooks, Director

BAPTIST STUDENT UNION

The 1993-94 year has been one of the best years ever for the Baptist Student Union. Students from both UNC-Wilmington and Cape Fear Community College have joined together to share in Christian fellowship and to reach out in service to others.

As campus minister I am amazed at the energy of the students as they fill up every minute of every day. Instead of sitting around the students involved in BSU have filled their hours with Bible Study groups, volunteer work in the Inner City, child-care workers for several churches, leaders for lay renewals, singers in the ensemble, Discipleship Now Weekends, youth lock-ins a campus wide rally, and Spring Fling at Fort Caswell. Their greatest spiritual growth takes place as they help others. They are refilled and refreshed by State level conferences at Ridgecrest and Camp Caraway and through local retreats in the Fall and Winter.

The joy of being a Campus Minister is that I have the privilege of coordinating and participating in as many of their activities as I can. Although much of my work is administrative and behind the scenes, I particularly enjoy being a part of the action.

In addition to my involvement in student activities, I attend conferences and conventions for Campus Ministers. We have met as a group across the State at a retreat center in Black Mountain, at Camp Caraway, and also at Ridgecrest where we receive encouragement and helpful advice.

Our Baptist Student Union is enriched and strengthened through Rocky Myrick's ministry as the Assistant Director. His gifts of preaching and faith, along with his sense of humor and his love and appreciation for college age students serves as a blessing for our group. He completes his fourth year as Assistant Director in November of this year.

The BSU Council consists of eight students. These students serve as President, Vice-President, Secretary/Treasurer, Christian Growth Leader, Outreach on Campus, Freshmen Leader, Church and Community Leader, and Publicity/Communications Leader. Both inreach and outreach are accomplished through the leadership of these elected student officers.

For the first time, our BSU group joined the mission field outside our own community and State. We participated in the New York Partnership in May, 1994, by taking seven students to Rome, New York and Maryland, New York in the Davis Association. We joined hands with five of the churches in one week by leading a lock-in, helping with a door to door survey, helping with a lay renewal, and leading two worship services. Now, a foreign trip to Brazil is being planned.

It all starts with just two weekly meetings and room full of love. We meet on Monday night off campus at the Wilmington Baptist Association Office Center and on Wednesday at noon on campus in the University Union. The speakers that have led our BSU programs have served as a source of inspiration and growth. Now as we enter this new Associational year, we look forward to the building and completion of the new Baptist Student Center. Official ground-breaking took place June 18, with the clearing of the land by volunteers from several of our churches.

This is a great time to be a part of the Wilmington Baptist Association. As I continue telling the students, "Get Involved" your life will be changed.

RESORT MINISTRY

The 1993-94 Resort Ministry year has been exceptionally good. Once again we were blessed with excellent summer missionaries, campers on missions leaders, along with an increased number of volunteer workers. The staff this year was: Phil Smith, Daniel Willis, Christy Jordan, Jenny Flowe, and Grace Faley. The church pastors who sponsored the missionaries and mission youth groups were: Rev. Don Horn (Surf City); Rev. Steve Bolton (Carolina Beach, First); and Dr. Joe Peterson (Kure Beach, First). Campers on Mission leaders were Walt and Pearline Morgan.

Although Resort Missions is a year around ministry, the tourist season is Easter Weekend through Labor Day Weekend. We were especially fortunate this year to have more campground volunteers. Rogers Bay Campground attracted larger numbers this summer due to new management and renovations of the facilities. The managers, Corky and Marion Fields are very supportive of the Wilmington Association Resort Ministry. The Morgans did an outstanding job in coordinating well attended campground activities.

Resort Missions utilizes a variety of talents and abilities. Our main purpose is evangelism. We were able to reach people through Day Camps for children in the mornings, recreation activities in the afternoons, and Family Evening Programs at night. The hours are long but the results are worth it.

Day Camps at Topsail Island are conducted at three campgrounds every week during the summer, except during the two Vacation Bible School weeks at Surf City Baptist Church. During those weeks campground children are invited to attend VBS with other children in the community. Attendance is always high. Day Camps at Carolina Beach and Kure Beach are set up directly on the beach. We set up canopies for shade. Youth groups come from other states as well as North Carolina to lead the day camps and provide a Bible story. Many of the children have never heard these Bible stories.

During the evening hours, Christian Family Programs are provided as one of our evangelist tools. People have accepted the Lord as a direct result of some of these family programs. Music, drama, clowns, and puppets are effective in resort settings.

Resort Missions help community organizations such as the YWCA, Senior Adult Centers, and Nursing Homes. A summary of the number reached through resort missions in our Association during the summer of 1994 is:

.... 16 Professions of Faith
.... 13 Recommitments
.... 2 Called into full-time service
....145 Day Camps with an enrollment of 443 different children and utilizing 230 volunteer leaders
....153 Family Evening Programs bring a total number of 6,671 people in attendance
.... 12 Our of State Mission Youth Groups
.... 5 NC Mission Youth Groups
.... 4 Summer Missionaries and 1 Assistant Director
.... 14 Senior Adult Programs
.... 4 Nursing Home visits
.... 5 YWCA (30 minute programs)
.... 8 Wilmington Association churches volunteered part-time

DIRECTOR OF MISSIONS

1993-94 could be described as the year for setting building plans in motion. Missions building is not the unusual in the WBA as is illustrated in the construction of the eighth chapel in Brazil. The 1993-94 Team led by Herb McCarthy and Raybourne Batchelor did build a larger building than the previous seven. It was yet another great missions experience in Brazil. Another team built a boys camp cabin in New York. WBA volunteers also started construction of an Education Building for the Hispanic church. We have also broken ground and are beginning to build the 6,300 square foot Baptist Student Union Building. We have attained architectural plans and are clearing the ground for the Matthew 25 Center which volunteers will build in Burgaw.

Two major events took place in 1993-94 with the securing of church properties for the Korean and Hispanic Baptist Churches. The Korean church now has its first permanent meeting place at a strategic site on South College Road. The Hispanic Church, supported significantly by a missions gift from Masonboro Baptist Church, bought an excellent piece of property with a beautiful worship center in Sunset Park. These are exciting days for both of these churches.

During these months, the Association has shown significant signs of growth. The idea of targeting special missions challenges seems to be paying dividends. Obvious target areas are (1) University Students; (2) The Inner City; (3) Language groups; (4) Resort areas; (5) People in need of Christian Counseling; (6) Prisoners and in particular the families of prisoners; and (7) Churches that need renewal and other types of strengthening.

We have continued our partnership missions activities in several locations in addition to Brazil. John Truitt has given coordination for our New York Partnership and that has resulted in numbers of churches sending volunteers to New York and New York people working with us in our own areas. Others have gone to the Ukraine, Czech Republic and other parts of the world.

There has been substantial growth with our church programs. The Sunday School Assist Team, VBS Team, Discipleship Training, Music, WMU, and Brotherhood Leadership has been active and has enjoyed a good measure of success. Quarterly Senior Adult Rallies have been outstanding.

Rev. Thurman Allred has joined the WBA Staff as a volunteer staff member with the assignment of Director of Pastoral Ministries. Brother Allred will give special leadership to promote pastoral ministry programs, church administration, seminary extension and chaplaincy. It is good to have Thurman as a part of what is already one of the finest Associational missions staff teams in the SBC.

A noticeable trend in 1993-94 has been a continued increase in missions giving. A majority of our WBA churches have increased Associational Missions giving. In addition to the regular support, there has also been an increased support in designated giving. The designated giving has primarily been in support of the Counseling Ministries, Student Ministries, Inner City Ministries, Language Missions, Partnership Missions and the Matthew 25 Center. There is a strong indication that interest in and appreciation for Associational Missions is growing. We are furthermore discovering that increased volunteerism combined with giving, points toward significant Associational Missions accomplishments in the days ahead.

1994-95 presents some outstanding challenges. New objectives and goals for the next three years derived through the Metro-Thrust Study will serve to help us focus on strategic areas of challenges. A major challenge will be evangelistic outreach. The implementation of Here's Hope '95 should enable us to work together in the greatest year of personal evangelism outreach ever experienced by our churches. The Harvest Revivals and the Franklin Graham Crusade can most assuredly help us achieve many of our goals. Our fellowship is growing and it's easy to be excited about our future as an Association on mission with the Father.

CHURCH PROGRAM REPORTS

WOMAN'S MISSIONARY UNION

"A Time To Grow" was the WMU emphasis for the 1994-95 year. The watchword was "May the Lord make your love for one another and for all people grow more and more" (I Thess. 3:12a TEV). Our hymns were "Teach Them To Love The Lord," "Teach Me, O Lord, I Pray," and special music "A Time To Grow."

Our emphasis objectives were as follows:

1. To enlist more members in WMU.
2. To challenge church members to grow spiritually as they:
   a. Accept responsibility for a lost and hurting world.
   b. Develop witnessing skills for ministry and personal, marketplace, and inter-faith evangelism.
   c. Identify the pioneer spirit of missions and take similar risks to minister and witness in new and difficult areas.
   d. Pray about and make life-style changes for missions involvement.

A list of mission action projects was furnished to the churches to choose from throughout the year. Even though we do not have a report on all participation, following is a list of some projects that were especially successful:

Oct. - Women's Correctional Facility, Raleigh - Hard candy
Nov. - Blankets, winter coats, & clothing for needy. Thanksgiving turkeys for the needy.
Dec. - Women's Correctional Center, Wilmington - Money to purchase Christmas gifts for children of inmates. Toys, clothes, & food for needy children.
Jan. - Blood Drive - Blood donors, cookies, crackers, juice, and soft drinks.
Feb. - Project HELP: Hunger - collected cans of food plus twenty-five cents for each can donated.)This was a national project and North Carolina received an award for collecting more than any other state).
Apr. - Health kits & children's kits for migrant workers. Hispanic Bibles.

DISCIPLESHIP TRAINING COUNCIL

The Great Commission tells us to make disciples of all nations, we must not neglect the same opportunities in our own Association. Children's Bible Drill is an effective way many of our churches are training disciples at an early age. We can be proud of our children and leaders who participated in the Association and State Drills. Truly they will group up "Hiding The Word of God in Their Hearts." Many of our churches are reporting life changing results because of their renewed concern for making disciples.

Our council is available and anxious to share some first hand results of effective discipling methods and materials. It is our prayer for the Association that we all catch the vision to be the discipling church.

Respectfully submitted,
John Truitt, Assistant Director

EVANGELISM COUNCIL

God's children will long remember 1995 here in Wilmington at UNC-W Trask Coliseum on May 14-17 where the Franklin Graham Coastal Carolina Crusade was held.

Prayers were answered and many many lost souls came forward and invited our Lord Jesus Christ to come into their hearts to live.

Pastors were busy finding church homes for these new believers. A sweet spirit flowed among all of us each night.

Our WBA Evangelism Council had several meetings. Everyone realized "Training In Witnessing" is a must and plans are being implemented for training. The life you live daily is the "Best Sermon" without a word spoken.

As we approach the 21st century, pray, pray and pray for our council that we will take to heart II Corinthians 8:11a "Now therefore perform the doing of it" witnessing, witnessing, witnessing.

Onree Fisher, Chairman

SUNDAY SCHOOL ASSIST TEAM

The Sunday School Assist Team exists to help churches in reaching and teaching for Christ through the Sunday School. This task is accomplished in three main ways: (1) Personal consultation with the Pastor or any other Sunday School work; (2) Sunday School worker training for any individual church; and (3) Associational-wide training clinics for all churches.

This past year training was conducted in each of the three main ways. Conferences in the areas of training age group workers, literature awareness and use, and growth are being planned.

MEDIA CENTER

We are anticipating the completion of the new BSU building and with it, we will have a new "home." Meanwhile, when checking out equipment, please sign your name, the name of your church and the date on the sign-out card. When returning the equipment, please sign your name and date of return. Recently, we misplaced our new overhead projector because some failed to sign it out. Because proper procedures have not been used in the past, we have lost items. Your cooperation will be greatly appreciated.

When we get our new room, we hope to have more equipment and videos for you to use. We hope to get donations so we can better equip our Association with items that you need. Thank you.

Louise Fisher, Director

YOUTH COUNCIL

The Youth Council consists of seven active members who work diligently to bring area teenagers together to grow closer to each other and closer to Christ. We have created three events that have served the churches of our Association: a NEWSONG Concert, WBA Fall Bash, and LIVESTOCK.

NEWSONG was held October 28, 1994 at Scotts Hill Baptist Church. NEWSONG is a contemporary Christian musical group that provides a message through song. There were around 300 people present for the concert.

The WBA Fall Bash was a huge success. The theme of the September 16-17, 1995 Fall Bash at the North Carolina Baptist Assembly at Fort Caswell was KNOW WHERE TO TURN. Tommy Cook from Knightville, North Carolina was the retreat speaker and Eddie Middleton, former member of Newsong, was the musical artist. There were 320 in attendance. Many decisions of commitment and rededication were made. The dates for next year's Fall Bash are September 6-7, 1996

A Luncheon for all WBA Associational Youth Ministers is scheduled for October 24, 1995, with Hal Melton, a North Carolina Baptist State Convention Youth Consultant at the Associational Office Center from 100:00 a.m. - 2:00 pm.

LIVESTOCK is something new for teenagers in our Association and other teenagers in the Wilmington area. LIVESTOCK is taken from the concept of Songs From The Loft by Amy Grant. The first LIVESTOCK will be October 25, 1995, at Dr. Bertram Williams' Farm from 7:00 - 9:00 p.m. The evening will consist of a Praise Band, skits with a Christian message, special music by Dana Russell, and a devotion.

Our meetings for 1995-96 that are scheduled are as follows: October 16, 1995; November 14, 1994; January 9, 1996; February 20, 1996, March 12, 1996; April 23, 1996; and September 3, 1996. There are no scheduled meetings in the months of May-August due to busy schedules. A called meeting will occur during these months if needed.

MUSIC COUNCIL

During the Fall of this past year, the Music Council sponsored a workshop for Music Directors and for Adult Choir members, led by Lyndel and Janet Vaught from Southwestern Baptist Theological Seminary. Directors and choir members from 5 churches took advantage of this helpful workshop.

Rev. Jimmy Rogers from Temple Baptist Church led the music and Key Leadership Conference for music directors during the WBA General Board meeting on July 11, 1995.

In May of 1996, the Music Council in cooperation with our State Music Department and Winter Park Baptist Church will host the North Carolina Baptist Singers for a special concert. Look for more exciting and informative events to be planned by the Music Council for the 1995-1996 year.

BROTHERHOOD COUNCIL

"Men Doing What Men Do Best", that's Baptist Men involved in missions. Missions glorifying our Lord are found everywhere we see God at work. In our Association we see men on mission in our homes, neighborhoods, churches, communities, state, nation, and world.

Many exciting events and opportunities for training have been offered this year, some of which are listed below:

- During January the Association Annual Baptist Men's Prayer Breakfast was held at Freedom Baptist Church with Mr. Johnny Evans as guest speaker and doing an outstanding job.
- Baptist Men's Day, January 22, was observed in many of our 61 churches.

- The State Baptist Men's Convention on February 3-5 was held in Raleigh and was well attended. The featured speaker was Tony Campolo.
- The RA Track event was held at Hoggard High School on April 22
- The Associational Baptist Men's meeting was held at Northside Baptist Church on May 25 with donald Greene presenting a motivating evangelistic message. During this meeting Mr. George Stephens was awarded a much deserved "Layman Of The Year Award" for 1995.
- The first of many planned family night at the ball game was held May 6 when the Roosters defeated the Jacksonville Suns.
- The Pine Box Derby was a huge success with 25 boys competing at the First Baptist Church Activities Center.
- The Brotherhood Council has committed to have the best year ever for men and boys on missions in the Wilmington Baptist Association.

Tommy Todd, Director

RECREATION COUNCIL

The Recreation Council of the Wilmington Baptist Association sponsored two major sports events in 1994-95. Our Basketball League expanded to include 75 teams playing at four different gyms. Also, we had a men's and women's softball league this year and it was a great success. We would like to thank Carl Yngve of Winter Park Baptist Church for heading up the women's softball league.

Our current plans include an Associational sponsored golf tournament and other events to use sports as a mission outreach. We will begin our basketball season this year in early November. We hope your church will have a team in our league this year. This is a great outreach for adults and children.

SPECIAL MISSIONS MINISTRIES

COUNSELING CENTER

The Mission of the NC Baptist Hospital Counseling Center is "to provide spiritual and psychological help for those who seek hope and healing in facing the relational challenges of life." The Counseling Center serves the southeastern region of North Carolina through personal and family therapy, programs of spiritual wellness, communication, and marriage and parenting skills.

The NC Baptist Hospital Counseling Center opened in September 1991 as a cooperative ministry of the NC Baptist Hospital Department of Pastoral Care and the Wilmington Baptist

Association. Rev. H. Mac Wallace, D. Min., a staff member of the Department of Pastoral Care, came here as the director of the center. Sophia Phelps, a member of College Acres Baptist Church, joined us in January 1992 as the secretary to manage office and bookkeeping needs. Because of the growing requests for counseling, additional part-time counselors have joined us. Wendy Harris, a member of Calvary, came in the Spring of 1992, and Linda Longley, a member of Riley's Creek Baptist Church, joined us in the Fall of 1992. Additionally, Emma Wallace is doing an internship as a Marriage and Family Therapist with the center. Dorothy West, a member of Southside Baptist Church, joined us in May of 1993 to help with the bookkeeping needs. Dr. George Franks, a psychologist who works in the Fayetteville Counseling Center, comes two times each month to help us with evaluation and supervision. And, John Rogers who recently completed his degree in Marriage and Family Therapy at Southwestern Baptist Theological Seminary, joined our staff as an intern in Marriage and Family Therapy on the first of September, 1995.

The Board of Directors were appointed by the Wilmington Baptist Association to provide direction and funding for the center. As a part of the fundraising efforts, the Board sponsors a Dinner/Auction at UNC-W. In 1994-95, this event provided $10,000.00 for the Center's operational needs. The Board is asking each church to include the Counseling Center in its budget for next year. The total budget needs for the center during the 1994-95 year is $48,183.00. Of this amount, $36,552.00 will need to be raised to cover the expenses not furnished by the Wilmington Baptist Association.

Since the center opened, more than 1,000 different individuals, couples, or families have been seen in the Counseling Center. Approximately 75% of these referrals came from churches in this Association. Currently, we average three to four new referrals each week, and this seems to be a constant trend that continues to affirm our need to provide this ministry.

H. Mac Wallace, Director

MATTHEW 25 COUNCIL

The Matthew 25 Center is a hospitality type facility for inmate families sponsored by the Wilmington Baptist Association. This mission is the only one of its kind in North Carolina. Through this mission originally planned to have a six (6) bedroom facility for families of inmates to stay while visiting inmates in Pender County. This is the second largest Correctional Unit in North Carolina. While families are at our center, we will have available material needs, vesper services, Sunday School, and Counseling. The New Hanover County Correctional Unit could also benefit from the Matthew 25 Mission.

From September 1, 1994 to September 1, 1995, our net increase is $19,958.72 to $27,338.69 in our Matthew 25 account. Along with the monetary gifts and donations, we had several projects. Those projects were: (1) On November 27, 1994, we had a Worship, Praise and Raise Service at the Penderlea Auditorium with Rev. Coy Privette as guest

speaker; (2) From December 1-23, 1994, we had a Light The Matthew 25 Christmas Tree project in which we sold Christmas light bulbs; (3) On May 20, 1995, we participated in Pender County Spring Fest - by selling Bar-B-Que sandwiches, raffle tickets on a quilt, Matthew 25 t-shirts and ball caps. We have more t-shirts and caps with our logo available; (4) On June 10, 1995, we had a Pancake Breakfast at Burgaw Elementary School Cafeteria. We also raffled the quilt donated by Forest Hills Baptist Church WMU ladies. Other than the monies received from these projects, we have received donations of time, bar-b-que, bread, mowing grass, etc.

I've spoken on behalf of the Matthew 25 Center to several civic clubs, industrial companies, businesses, and churches.

This coming year we have a 30 members Council representing 25 churches to meet the 2nd Thursday of each month at the Pender County Library, 7:00 PM to set the course of Matthew 25. We also have a second group called Friends of Matthew 25 who are those who support the Matthew 25 Center, who do not want to be voting members.

Our main goal this coming year is to have $60,000.00 in our account and to begin construction.

Jim Robinson, Chairman

INTERNATIONAL SEAMAN'S SERVICE CENTER

A Foreign Mission of Ministry at Home

The International Seaman's Service Center of Wilmington, NC is composed of a very active group of caring volunteers. Many of these are members of local Baptist churches. The organization is physically and financially supported by the six major denominations in the Wilmington area. A full-time chaplain is the only paid employee. The Center is staffed 12 hours a day by volunteers who reach out their hands in Christian friendship to seafarers from around the world. These men, and sometimes women, are away from home an average of 10 months at a time and are in port for only a few hours and are very grateful for the services provided.

The Seaman's Center is located in a former Navy Barracks building at the State Port. Due to donations from churches and residents of the community, the seafarers can spend some pleasant time making telephone calls to their families and enjoying Christian friendship and service provided. The Center contains a library, TV room, recreation room, clothing closet and equipment for telephoning. Since most ships are in port only 8-12 hours, the welcoming smiles and voices of volunteers on duty are their only touch with people other than aboard ship. This is our opportunity to show our Christian love and caring to a multi-cultured society. Although many of these men speak little English, we find we can communicate. Only through the continued support of the churches can this ministry exist.

- 526 ships called at our State Ports this year.
- 6,120 Seamen visited the Center this year.
- We provided 317 Bibles in different languages.
- A full-time chaplain visits the ships to meet the needs of the seamen.
- We maintain a clothing closet - men from 3rd world countries receive very low pay and purchase for family and self.
- A Chapel area for service or quiet meditation is provided.
- Cookies, coffee, and tea are provided.
- Bicycles are on hand for trips to the store - also a station wagon when needed.
- We also serve our own military men who use our port.

The Seaman's Center received a grant from International Transportation Federation of London, England for $19,000.00 for the purchase of a new station wagon.

We have one regular Baptist Volunteer and five new sub-volunteers. We need more regular Baptist volunteers. Please join me in prayer that more of our people will join us in this world-wide ministry of sharing the love of Jesus

BAPTIST RETIREMENT HOME DEVELOPMENT BOARD

The Baptist Retirement Home Development Board has been inactive in recent months due to the leaving of our Director of Missions, Ed Bullock. Interest, however, is still high.

The committee of twenty-six people, including those from other Associations, has been sub-divided into four groups: Site location, Policy Development, Fund Raising, and Public Relations. Some monies have already been given toward this retirement home project.

The committee is looking forward to being reactivated and seeing this project completed. The need is still great.

ENGLISH AS A SECOND LANGUAGE (ESL)

English As A Second Language classes continue to function as a ministry of the WBA to the Internationals in the Wilmington area. In 1994-95 there were 71 students enrolled, most in the Wednesday morning sessions at Winter Park Baptist Church. Some attend classes on

Wednesday evenings and on Sunday mornings. A few are taught at other times and in other places. Twenty-five different countries have been represented this year. These students are taught and nurtured by eighteen loyal and dedicated teachers-all trained in the methods and techniques approved by the Home Mission Board and Lauback Literacy International.

In the WBA sponsored Wilmington Literacy Council, there are four certified Tutor Trainers. During the past year they held three workshops and trained 27 tutors. Two of these took place in surrounding counties where work is going on in ESL especially among migrant workers. From the local workshop three new tutors began teaching immediately, two plan to use their skills as they serve as foreign missionaries in Poland and at least one is volunteering in the public school system. Workshops to train tutors are held at least twice a year as a rule, in February and in October at the WBA Office Center.

In addition to teaching English to the International, many opportunities for ministry to the students have arisen, such as offering encouragement during the times of illness and bereavement and sharing the happy occasions such as the birth of a child.

We who are involved in ESL classes are very grateful to Winter Park Baptist Church for the use of their facilities each week and to the Baptist Women groups who graciously give their time and resources to furnish refreshments each week and a lovely luncheon at Christmas as well as assisting in other special events. These times are very important to the International students and are a great help to the tutors.

Volunteers are needed to help keep a nursery for the International mothers of pre-school children each Wednesday from about 9:30 AM to 12:00 Noon. This is a great mission opportunity for someone who loves children but who is hesitant to take on the task of teaching adults.

SEMINARY EXTENSION COMMITTEE

The Seminary Extension Center is sponsored by the Wilmington Baptist Association; for the purpose of teaching, training and equipping Christians both pastors and laymen to be better ministers of our Lord. The Seminary Extension Center is affiliated with the Seminary Extension Department of the six seminaries of the Southern Baptist Convention.

Two courses were taught this past year. Rev. Gregg Newton taught the Gospel of Mark and is currently teaching "Olde Testament Survey Class, Part I" at Castle Hayne Baptist Church.

If you are interested in learning more about the Bible and our Lord and how you can better serve Him we would love to have you take one of our courses. We plan to offer three

courses in the near future: "Old Testament Survey"; "How to Understand the Bible"; and the "Dynamics of Teaching."

PRAYER COUNCIL

Your Prayer Council believes that prayer should undergird all that we do as individuals, as churches, as Associations, and as conventions. It is our purpose to enlist as many prayer warriors as possible, to educate, encourage and provide resources (including consultants) to every church in our Association.

This year we have led two days of prayer:

1. January 17 at Castle Hayne to pray for Harvest Revivals and the General Board Meeting that evening.

2. May 23 at the WBA Office as a part of Associational Missions Emphasis and the Executive Committee Meeting that evening, I thank the Associational group leaders for their assistance and participation. We have begun a Prayer Meeting on Tuesday mornings at 10:00 AM for the Associational Staff and anyone who care to join us.

We were represented at the Baptist Men's Prayer Breakfast and the Baptist Women's World Day of Prayer

We participated in the Pastor's Preaching/Bible Conference on September 11.

We look with great expectations to 1995-96 to see what God will do through Prayer.

ADMINISTRATION PROGRAMS

PASTORAL MINISTRIES COUNCIL

During the past year two seminars were conducted in the main conference room at the WBA Office Center. The seminars were designed to help leaders in WBA Churches and Associational Leadership develop skills in administration.

The two seminars offered were "Time Management" and "Conflict Management." The enrollment was not overwhelming, however, early in the coming year and throughout the year we hope to offer additional seminars on other administrative skills.

CONSTITUTION AND BY-LAWS COMMITTEE

The Resolution and By-Laws Committee with help of every other committee of the Association is hard at work preparing an Associational Organization Manual that is developed to custom-fit this Association. There is a chance that this manual will be completed by the Annual Meeting in October but if not, it will be completed and ready for approval by the next General Board Meeting of the Association.

One of the most exciting projects for 1994-95 has been the BSU Building (a dream coming true). The BSU Building is 85% completed. There has been some work contracted out but the majority of the work has been done by volunteers. We are sincerely grateful for all who have helped work on this building and also those who have donated monies to make this possible. There are still funds needed in order for us to complete this building. Once the building itself is completed, the grounds (including retaining ponds and landscaping), and parking lot have to be done.

For security precautions, shrubbery around the existing building was cut back.

COMMUNICATIONS COUNCIL

This year we have been sharing with our churches the recent video of the Wilmington Baptist Association Missions. A number of copies are available for check-out. If you have not already shared this with your membership, we encourage you to do so soon. It will enlighten everyone of the great works being done through their giving to the Wilmington Baptist Association.

Our WBA Staff is still doing a superb job assembling and printing a very informative newspaper--"The Developer."

The Communications Council met this year and did a lot of creative thinking and planning. Our need still remains for funds to fulfill these plans and dreams. Pray about this, please.

LANGUAGE MISSIONS

Hispanic Missions

We have had a great year at the Primera Iglesia Bautista Church. We had 9 baptisms and 4 joined the church by other ways. We had a wonderful Medical/Dental Clinic with 13 saved. Also, the Summer Ministry was great with 8 being saved. We had 2 Summer Missionaries for with the Hispanics.

A Fellowship Hall was started in the Fall of 1994 and we have made great progress with the help of lots of volunteers and our own people working. We give a big thanks to Mr. Bullock and all the people who have made donations for the project. Great love and hugs for all the Lord has done. We are continuing to work on the Fellowship Hall and hope to finish it someday soon.

The English Class has an average of 10 to 15 each week and it is a great way to have a ministry. We have a witness team in our church that uses the Win School and the Eternal Life Booklet to go out and witness with. Many were saved during the Medical/Dental Clinic by using this method. Gus and I have led many to Jesus Christ this Summer by using this booklet to share the Word of God and the love of Jesus Christ to others.

We had two groups of youth come, one from Virginia and 39 people from Texas, to do Vacation Bible School, Backyard Bible Clubs and going into the trailer parks to work. The Backyard Bible Clubs had an average attendance of 18 people.

This year we had our first Hispanic girl to serve as a Summer Missionary along with Christy Parker, our full-time Hispanic Missionary. Thank God for all He has done. We love all of you.

Gus and Peggy Lara, Hispanic Directors

Chinese Ministry

Calvary continues to sponsor a Chinese Fellowship on the second and fourth Saturdays of each month. The fellowship offers a time for the Chinese of our community to get together with others from their country. It is a time that we offer information, inspiration, and share our Christian faith. Several Chinese are attending the regular worship services of the church.

One 9 year old Chinese boy received Christ during Vacation Bible School.

We are now in the process of talking with a Chinese Christian pastor that is interested in assisting in this ministry. Please join us in prayer that this will become a reality.

Special thanks to Pat and Sam Glazier for their dedication to this ministry.

Korean Ministry

The First Southern Baptist Korean Church of Wilmington, NC, located on South College Road, held their first anniversary in their new church building in March of 1995. Mrs. Mary Margaret Brooks, Rev. and Mrs. Duncan Futrelle attended. The Korean church gave out keepsake cups with the anniversary date on them. There was a big dinner as well as Sunday services which lasted most of the day in giving thanks to God for the blessing of a new Korean (and first) church in Wilmington. Mrs. Sally Lennon was recognized for her contribution to the founding of this church.

Rev. Tae Ku Lee and his wife Jeong Ok Lee serve in many ways. They assume many duties small, big, long and short. This wonderful pastor and his wife are loved by everyone.

This year there were 3 baptisms and 1 revival. The present membership is 50. Many Koreans are moving into this area and visiting the Korean church. The pastor, his wife and other church members always visit these newcomers.

The Korean Choir has 10 active members and signs under the direction of Pastor Lee. Mrs. Sue Davis is the pianist. This choir has a glorious sound that blesses all who hear it.

The Sunday School continues to grow. There are classes for adults, teenagers, children and a nursery. The Koreans have a very busy Sunday which includes preaching, prayer, Sunday School, singing and a fellowship dinner. The Korean church gives all its thanks and praises to God for all the blessings He has given them.

Japanese Ministry

Winter Park Baptist Church, the NC Baptist State Convention and Wilmington Baptist Association are reaching out with the love of Jesus to the Japanese Community in Wilmington through ESL Classes, Bible Studies, and friendly contacts. Fourteen Japanese families, four Japanese wives, married to Americans, two full-term UNC-W Japanese Exchange Students, one High School student and four professional Japanese women were ministered to this past year.

Japanese are always well represented at the Annual International Night of Friendship.

Enrolled in English classes at Winter Park Baptist Church (using the Bible to teach English) were 20 Japanese.

The NC Baptist State Convention Japanese Pastor, Rev. Yasushi Tomono, with his wife were with us for 7 visits. He led seven Monday morning Bible studies for Japanese wives in their homes with an average attendance of nine. Sunday evenings he led special Bible studies for college students and professionals with an average attendance of seven. Rev. and Mrs. Tomono are a great blessing to the Japanese Ministry here and throughout the State.

One Japanese wife attended International Bible Study every Monday morning led by Sally Lennon. Another Japanese wife met with Mary Ellen Benton weekly for Bible Study. The monthly cooking class for Japanese wives, led by Sally MacCallum, continue to be well attended.

A five-week trip to Japan for Sally Lennon, accompanied by a Japanese UNC-W Student Kaori Kojima, was sponsored by Japanese employees of Japanese companies in Wilmington and Japan in appreciation for English classes. While visiting fourteen cities they were with twenty former Japanese ESL students and visited Nagoya Gakuin, the students university where Sally was invited to present a lecture. They were hosted for home stay by six Japanese families. Their contacts with Japanese Christians and 18 SBC Missionaries included visiting six churches, three Friendship Houses, Baptist Hospital, SBC Baptist Mission Building, Japan Baptist Convention Building, Seina Gakuin School, University and Seminary. They saw Kobe earthquake damage and presented at $1350 check to Missionary Charles Barham for Earthquake Relief Fund. Thank you Christian friends for all your prayer support for the Japan trip, for the Kobe contributions and all your support of the Japanese Ministry. We will give God the Glory and pray that many Japanese will accept Jesus as we minister in His name.

500 people present from 27 countries. Entertainment was presented by 6 different countries. Carlene Evans did a beautiful presentation in sign language of "Love In Any Language." Sally Lennon brought the inspirational message.

Also, participating in the program were Rev. David Brisson, Rev. Michael Tutterow, and Rev. Steve Jeremias. Entertainment from the countries was introduced by Dr. Robert George, Dr. Angelina Knox, Rev. Gus Lara, Mr. Sam Glazier, Mr. Craig Register, and Mrs. Mary Ellen Benton.

It was a wonderful night with a spirit of love and joy that will always be remembered by everyone present.

Physically Handicapped

I am so pleased to report that another year has gone by and by God's people we were able to get all the handicap equipment that was needed.

We now have five hospital beds, eight walkers, six potty chairs, four shower seats, and canes. Please pass the word to all churches that we are here to help the handicap people in need, we even deliver free!

This handicap equipment is very important to the ones that can't afford to buy it. We have given clothes to about 40 people who are handicapped and give ten handicapped people enough food to last a month. We have given gas money to two handicapped people so they could go to Duke Hospital.

How great it makes us feel when it is there to give away. Please keep this in mind when you have handicap equipment you want to give.

Four rallies were held this year. In November we met at First Baptist Church Activities Center and 220 people were present. In February we met at Hampstead Baptist Church with Dr. Charles Allen leading a Bible Study for the 290 people who were present. In May the Association sponsored a rally at the First Baptist Church Activities Center. We had 116 people present for this occasion. The August rally was a watermelon cutting held at Hugh McRae Park, Sunset Park Baptist Church sponsored this event and 75 people attended.

Blood Drive

The 1995 Blood Drive was a big success. Many people worked hard to make this event possible. Laura Spivey and Ola Ball co-ordinated the drive at Winter Park Baptist Church and Shirley Horn was in charge of the one at Surf City. The County Extension Service co-ordinated the one at Burgaw. The Red Cross was very grateful for everyone who participated in this drive.

This year Calvary Baptist Church had the largest number of donors. Pine Valley Baptist Church was second and third place was a three-way tie between College Acres, Olivet and Winter Park. All of the churches that participated helped us minister to the health needs of our community in a significant way.

BLACK CHURCH RELATIONS

The Wilmington Baptist Association continues to have an excellent relationship with Saint Paul Baptist Church. We are proud of their witness and ministry. This year we helped them promote their VBS with events held on two consecutive Saturday mornings. We pray that someday their facilities may be enlarged for youth ministries, fellowship and religious education.

Hope Baptist Mission continues to impact the city. Rev. James Jamison has been called to pastor the church. He has been visiting every home in the area with a health kit and a Christian witness. Many churches in the Association have sponsored events at Hope. First Baptist Youth under the leadership of Don Vigus, come every week to work with the Inner City children and youth. We also had three Summer Missionaries and many Summer Mission Youth Groups from outside the Wilmington area that helped with our program. The tutoring program has continued with test scores rising. Sports evangelism is a major emphasis. This year we had 5 basketball teams and a summer basketball camp sponsored by the NC Baptist Men.

We have plans to reach out to many other areas in the Inner City with the Gospel. As God opens the doors we will step through them. We are very excited about the opportunities that are all around us.

We are also working cooperatively with churches of all races in the development of the Matthew 25 Prison Ministries. We hope that we will be able to have the ground breaking for this building during this year.

Please pray for this committee as we seek to serve the Lord and follow His will.

CHURCH EXTENSION

The challenge that the Wilmington Baptist Association needs to face is the anticipated growth that will take place during the next decade. We have been discovered by the folks who live in the area of our nation with cold winters and high taxes. We need to locate areas where property can be purchased for future church sites. Our stronger churches may need to begin to look outward to consider starting a mission or a satellite home church(s). Our Metro Thrust goal is to start at least two mission churches each year during the next three years.

WBA STAFF REPORTS

CHURCH RENEWAL/DEVELOPMENT

One of the goals of the Wilmington Baptist Association is to be available with ideas and church strengthening resources.

We believe our churches have been strengthened this past year through mission projects. Partnership Mission involvement is a great motivator for hands on expansion of church purpose. Many partnerships are available starting between our own churches in the Association and spreading literally across our world. An enthusiastic church member returning from New York, overseas, or from across town strengthens the church.

Lay teams, either lay renewal or lay witness, coming into or being sent out from the church strengthens a body of believers. Church involvement in a lay renewal weekend is an effective approach to spiritual awakening.

CHURCH AND COMMUNITY MINISTRIES

This has been an exciting year in Church and Community Ministries. I am so grateful to God for His love, grace, leadership and guidance. To God goes all the glory and praise for everything that has been accomplished. I am also thankful for all the volunteers who have worked long hours to bring many of our ministries from vision to reality. All of our efforts have been undergirded by the prayers and financial support of the members of the churches of the Wilmington Baptist Association.

One unusual opportunity for me this year has been to serve as a "Christmas In August" missionary of the Home Mission Board. From all over our Association, our State, and our

Nation have come boxes filled with toiletry items--one box from as far away as "North Pole, Alaska." These gifts have been shared with the poor all over this Association. Rev. David Brisson, the Rev. James Jamison and John Truitt have helped in the distribution of these items to individuals and to many helping organizations in our area.

In connection with "Christmas In August," I have also had the opportunity to meet with many GA, RA, youth and church congregation groups who have collected the gifts. They have listened as I shared my testimony and talked about my work as a Home Missionary. Many groups got into the spirit of the occasion with Christmas decorations, Christmas carols, and refreshments. Gathering around a beautiful Christmas tree to sing "Joy to the World" in August and then sharing Christmas presents with the needy has truly been a highlight of the year.

During the past year I have been involved with a number of other important ministries such as: the January Blood Drive, four Senior Adult Rallies, the Children's Clothes Closet, the Food Pantry, the International Night of Friendship, and the Matthew 25 House. I have served on the Good Shepherd Board, developed mission action opportunities for mission groups, delivered hundreds of pounds of good to local benevolent agencies, and given emergency assistance to about 125 family units.

Inner City Ministries has had a wonderful year. David Brisson, our Inner City Missionary, has been a beacon of light and hope in the Inner City. It is a joy to work with him and to see God's unfolding plan for this ministry. I have been privileged to work with David in such programs as the Dolphin Tutoring Program, the basketball league, the Sunday School, the Wednesday night program, Thanksgiving and Christmas baskets. During the Summer, these regular programs were greatly expanded and strengthened through the presence of three Summer Missionaries and several Summer missions groups from churches in several States. In our Summer Programs we had dozens of different events that involved hundreds of children.

We were honored to have our Inner City Ministry featured in the Biblical Recorder and in three other publications and State Missions Offering promotional materials of the Baptist State Convention. The color photos were dramatic and the article, entitled "Sunday School In The Hood." caught the spirit of the mission.

David and I are pleased to have the Rev. James Jamison join us in our Inner City team. He is the new pastor at Hope Baptist Mission, and is already reaching many people in a dynamic way.

Language Missions has had another exciting year. It is a privilege to work with our language mission pastors. They are a dedicated group who reach out to many who do not speak English. In this facet of my job I have been able to share in a variety of ministries. These include substituting in ESL (English as a Second Language) classes, coordinating the International Night of Friendship, which was attended by about 500 people from 27 countries, and helping coordinate the Medical/Dental ministry which helped 72 individuals and brought 13 professions of faith. I attended several worship services at the Korean and Hispanic

churches. We continued to seek funding and volunteers to complete the much needed annex to the Hispanic church building. A new Hispanic mission was started in Burgaw, and I attended some meetings relating to the exciting new Hispanic Mission in the Wallace area. Plans are also in the making for the possibility of a Chinese pastor. As the world comes to Wilmington, we are trying to be prepared to meet these people with the Christian Gospel. In every aspect of Church and Community Ministry we seek to share the Gospel. This year about 66 professions of faith were made, and these converts are being discipled in local churches.

This year my life and work have been enriched by attending these conferences and conventions: The North Carolina Baptist State Convention, the Southern Baptist Convention, the Associational Staff/Convention Staff Meeting at Caraway, a Conflict Management Seminar, a Time Management Seminar, Models for Metropolitan Ministry Conference, Franklin Graham Counselor Training, and Key Leadership.

I have also written newsletter articles, made monthly reports to the Home Mission Board, and made reports to the Executive Committee and the Pastor's Conference of the Association. I have attended meetings of the Good Shepherd Board, Interfaith Network, Homeless Coalition, Clearing House, and Saint James Homeless Shelter Orientation. I also served this year as vice-president of the Japanese Board of North Carolina.

In September I concluded five years of work for the Wilmington Baptist Association. Every day I give thanks for the blessings brought to my life through these channels of service. I am grateful to God and to the Wilmington Baptist Association for the opportunities to share the Gospel of Jesus Christ. The fields"...are white unto harvest," and "we must work the works of Him who sent us" while there is still time.

BAPTIST STUDENT UNION

My love and enthusiasm for college age students continues to grow stronger each year. I consider it an honor to serve as Director of such a fine group. The group is molded and shaped by the gifts and talents of the students. The Student leadership take their responsibilities seriously. We have eight Council members who serve as the student leaders of the Baptist Student Union. Although each person has a separate job, they all have the same goal: to see that more students have a closer and personal relationship with the Lord. All of our activities and retreats are planned to provide fellowship with other Christians and service to others.

Students from both UNC-Wilmington and Cape Fear Community College join together to strengthen their faith and use their gifts to lead others to Christ. It is the balance of our program that makes BSU so successful. Rocky Myrick continues to serve as the Assistant Director and will complete his fifth year in November 1995. His love for the college students and his great personality help to strengthen this growing ministry.

The Fall of 1994 was full of energy. The students decided they wanted to lead a Campus-wide Rally or revival. We reserved Kenan Auditorium, invited local churches for one of the nights, provided a variety of music such as Brent and Erica Murray (Woodstock, Georgia), as well as a local band called "The Messenger." Other students provided solos and group music. This was our first effort planning a rally and it was successful. They want to have another one in the Winter of 1996.

Most of the enthusiasm in the Fall is centered around the BSU Fall Convention to Ridgecrest each September. This year we took 61 people, which ended up being the third largest in the State. Other Fall activities in 1994 which provided Christian growth were: a retreat to Fort Caswell, the UNC-W Christmas service, weekly Bible Studies on and off campus and challenging and interesting speakers at our weekly BSU meetings on Mondays and Wednesdays.

Outreach opportunities were numerous in the Fall of 1994. Some of these events were: leading a Disciple Now Weekend, providing childcare for a major industry (Federal Paper Company), working the concessions at certain ball games at Trask Coliseum, helping with Exam Survival Kits for Freshmen, leading Lock-ins and the ensemble sang in several churches and at the Associational Annual Meeting.

The pace did not slow down when the Winter/Spring semester began. In addition to the Winter Retreat with Pembroke State University at Fort Caswell and the Annual BSU State Spring Conference at Camp Caraway, students were actively helping others by: leading fellowships in Pender and Brunswick counties, leading a Spring Fling for hundreds of youth at Fort Caswell, and leading Lock-ins and "True Love Waits" events in local churches. The ensemble continued to sing in several churches. Some of the students interviewed for the Summer Missionary positions. Three of our local BSU students worked in the Wilmington Association Resort Ministry.

When the Summer arrived, 43 students were still in the area and continued to have BSU meetings every other week throughout the entire Summer. Each year the number of Summer students increases.

The greatest joy of the 1994-95 year was the start of the construction on the Baptist Student Center. The official ground breaking was June 18, 1994, with volunteers from several churches, mostly from First Baptist Church of Wilmington. The land was cleared and construction continued each Saturday until it turned into daily construction, except Sunday. Now, at the writing of this report, we are only two months away from completion of a very beautiful building. Approximately $29,000 is still needed to complete the project, but we know those funds will come. This Baptist Student Center will provide Christian growth and fellowship for many years to come. It is with much excitement and anticipation that I write this report.

Respectfully submitted,
Carlene C. Evans, Baptist Campus Minister

RESORT MINISTRY

The 1994-95 year was full of changes and surprises. The first pleasant surprise came in November 1994 when the Wilmington Association Resort Ministry was presented the Resort Ministry of the Year Award at the Baptist State Convention meeting in Winston-Salem.

In the Winter and early Spring, we were fortunate to receive 23 mission youth group applications and hire five excellent college students to serve as Summer Missionaries. Also in the Spring, all of the youth group leaders went through a pre-project orientation session.

The seasonal campground ministry started up on Easter Weekend. Over 50 children showed up for the Easter Egg Hunt and to make crafts. We also used this opportunity to invite everyone to the Easter Worship Service at Roger's Bay Campground. Weekly worship services started back in May and continued into September. Services were led by several volunteers. We were especially grateful to Bennie and Phyllis Goetze for leading the ministry during the absence of our Campers on Mission leaders Walt and Pearline Morgan. Other worship leaders were Johnny Watson, Bill Finch, and our summer missionary Garrett Grimshaw.

At the campground many Christian activities were provided. In addition to the weekly worship services, Day Camps for children were organized Monday-Friday and led by the summer missionaries and mission youth groups. Youth groups from South Carolina, Virginia, Georgia, and North Carolina worked at Roger's Bay Campground, as well as at Lanier's and Surf City Campgrounds. Also, youth activities such as volleyball and horseshoes were organized. Every Saturday, great fellowship was provided at the Watermelon Cutting. Occasional nature walks were offered to adults and children on Saturday mornings.

Another nice change this Summer was when Silver Lake Baptist Church and Whispering Pines Baptist Church hosted the out-of-town mission youth groups on Sunday morning. Also, Pine Valley Baptist Church worked a full week at Carolina Beach, leading Day Camps for children and performing Christian drama presentations nightly at Jubilee Park. Mission youth groups from Alabama, South Carolina, Georgia, Virginia, Kentucky, Tennessee, and North Carolina served at the Carolina and Kure Beach areas.

Attendance at all the events were good this Summer and in many areas were larger.

Some of the other changes that took place were in personnel for community service areas, such as Katie Hines Senior Center, Jubilee Park, Kure Beach area businesses, and nursing homes. The new personnel responded well to the mission youth groups helping and performing at their facilities. We also provided an occasional program at the YWCA.

The Resort Ministry staff this year was: Lisa McDonald (Assistant Director), Caroline Waters, Dana McIntosh, Garrett Grimshaw, and Zeke Pittard. They all did a great job.

A summary of the number reached through resort missions in our Association during the Summer season of 1995 was:

18 Professions of faith - 60 Recommitments
3 Called into full-time Christian service
177 Day Camps with an enrollment of 825 children
220 Family Evening Programs bringing a total of 7,336 people in attendance
14 Out of State Mission Youth Groups
7 North Carolina Mission Groups
4 Summer Missionaries and an Assistant Director
13 Senior Adult Programs
5 Nursing Home Visits
4 YWCA Programs
384 Volunteers helping with the Resort Ministry Program

DIRECTOR OF MISSIONS

This has certainly been a busy year for the WBA, highlighted by the Franklin Graham Crusade that was packed out every night. Thanks to all who supported this evangelistic effort.

The WBA will surely miss Rev. Ed Bullock here in the Association and we wish him great success in the position of Director of Lay Evangelism for the Baptist State Convention. Ed was the person responsible for getting the BSU/Counseling Building started which hopefully will be completed before the end of 1995. We can not say enough about the tremendous amount of work done by volunteers on the BSU/Counseling Center Building. Thanks to everyone of you.

The addition to the Primera Iglesia Bautista building in Sunset Park is nearing completion. Thanks to a number of volunteer groups and individuals who have helped.

The Inner City Ministry under the supervision of Mary Margaret Brooks and David Brisson is doing well. We now have on board a pastor for Hope Mission who is Rev. James Jamison. Rev. Jamison is a retired military person who grew up in the Creekwood area so he knows the Inner City. We look forward to a very successful ministry in this area.

George and Jo Stephens have been very busy taking groups to the Ukraine to help repair buildings and doing mission work. It is my understanding that we have committed to build two more church buildings in Brazil. The next group should be going to Brazil next Spring.

Several groups have made mission trips to New York to conduct revivals and work on buildings in various New York Associations. Contact Mr. John Truitt at 799-1160 if your church wishes to sponsor a trip to the New York area.

The financial support for the work of the Association from our churches has been great. Together we have accomplished much more than each could do alone. Thanks again for your support.

The formation of a committee to evaluate the possibility of separating the BSU/Resort Ministries is much appreciated. We have 108 students enrolled in BSU at the beginning of a new year.
